

**DANIELI FRÖHLING**

## **Privacy policy**

We are very pleased about your interest in our company. Data protection has a particularly high importance for the management of the Danieli Germany GmbH. Use of the Internet pages of the Danieli Germany GmbH is generally possible without any indication of personal data. However, if an individual wants to use our company's special services through our website, we may require the processing of personal data. If the processing of personal data is necessary and there is no legal basis for such processing, we generally collect the consent of the person concerned.

The processing of personal data, such as the name, address, e-mail address or telephone number of a person concerned, shall always be carried out in accordance with the basic data protection regulation and in accordance with the Danieli Germany GmbH applicable country-specific data protection regulations. By means of this data protection declaration our company wants to inform the public about the nature, scope and purpose of the personal data collected, used and processed by us. In addition, affected persons are informed about the rights to which they are due by means of this data protection declaration.

The Danieli Germany GmbH has implemented numerous technical and organisational measures as a controller in order to ensure the most complete protection of personal data processed via this website. However, Internet-based data transmissions can generally have security vulnerabilities so that absolute protection cannot be guaranteed. For this reason, any person concerned shall be free to transmit personal data to us on alternative routes, for example by telephone.

### **1. Definitions**

The privacy policy of the Danieli Germany GmbH is based on the terminology used by the European directive and regulation provider in the adoption of the basic Data Protection Regulation (DS-GMO). Our privacy policy should be easy to read and understand for both the public and our customers and business partners. In order to ensure this, we would like to explain the terminology used in advance.

We use the following terms in this privacy statement, among others:

## 4. Cookies

The internet pages of the Danieli Germany GmbH don't use cookies. Cookies are text files which are stored and saved via an Internet browser on a computer system.

## 5. Collection of general data and information

The website of the Danieli Germany GmbH collects a number of general data and information with each call to the Internet site by an affected person or an automated system. This general data and information are stored in the logfiles of the server. The browser types and versions used (1) can be captured, (2) the operating system used by the accessing system, (3) the Internet site from which a comprehensive system reaches our website (so-called Referrer), (4) The sub-websites, which are controlled via a comprehensive system on our website, (5) The date and time of access to the Internet site, (6) An Internet

Protocol address (IP address), (7) The Internet service provider of the Access system and (8) other similar data and information that is used to provide security in the event of attacks on our information technology systems.

When using this general data and information, the Danieli Germany GmbH No conclusions on the person concerned. This information is rather needed to (1) deliver the contents of our website correctly, (2) to optimize the contents of our website as well as the advertising for them, (3) The permanent functioning of our information technology systems and the technology of our website and (4) to provide law enforcement authorities in the event of a Cyberangriffes the information necessary for prosecution. These anonymously collected data and information are Danieli Germany GmbH therefore, on the one hand, statistically and further evaluated with the aim of increasing data protection and data security in our company in order to ultimately ensure an optimal level of protection for the personal data processed by us. The anonymous data of the server logfiles are stored separately from all personal data specified by an affected person.

## 6. Registration on our website

The person concerned has the possibility to register on the website of the controller, stating personal data. The personal data transmitted to the Controller is determined by the respective input mask used for the registration. The personal data entered by the person concerned shall be collected and stored exclusively for internal use by the controller and for his own purposes. The controller may arrange for the transfer to one or more processors, for example a parcel service provider, who also has the personal data Used exclusively for internal use, which is attributable to the Controller.

By registering on the website of the controller, the IP address given by the Internet service provider (ISP) of the data subject, the date and time of registration is also stored. The storage of this data takes place in the context of the fact that only the misuse of our services can be prevented and this data allows, if necessary, to clarify committed offences. In this respect, the storage of this data is necessary for the protection of the Controller. In principle, a transfer of this data to third parties does not take place unless there is a statutory obligation to pass on or the transfer of law enforcement serves.

The registration of the data subject with a voluntary indication of personal information serves the controller to provide the data subject with content or services which, due to the nature of the case, are only registered users can be offered. Registered persons are free to change the personal data indicated at the time of registration or to have it completely deleted from the data of the controller.

The controller shall, at any time on request, provide information to each person concerned as to which personal data is stored about the person concerned. In addition, the data controller shall rectify or delete personal information on request or by reference of the person concerned, insofar as this does not prevent any statutory retention obligations. A data protection officer named in this data protection declaration and the whole of the employees of the controller shall be made available to the person concerned in this connection as a contact partner.

## 7. Subscription to our Newsletter

On the internet site of the Danieli Germany GmbH Allows users to subscribe to our company's newsletter. The personal data that is transmitted to the Controller for the purpose of ordering the newsletter results from the input mask used for this.

The Danieli Germany GmbH Informs your customers and business partners about offers of the company at regular intervals by means of a newsletter. The newsletter of our company can only be received by the person concerned if (1) the data subject has a valid e-mail address and (2) the person concerned is Newsletter Registered. The person concerned for the first time for the Newsletter For legal reasons, a registered email address will be sent a confirmation email in the double Opt-In procedure. This confirmation e-mail is used to check whether the owner of the e-mail address has authorized the receiving of the newsletter as the person concerned.

When registering for the newsletter, we also store the IP address of the Internet service provider (ISP) of the computer system used by the data subject at the time of registration and the date and time of registration. The collection of this data is necessary in order to be able to understand the (possible) misuse of the e-mail address of an affected person at a later date and therefore serves the legal protection of the controller.

The personal data collected as part of an application for the newsletter will only be used to send our newsletter. In addition, subscribers to the newsletter may be informed by e-mail if this is necessary for the operation of the newsletter service or for registration in this regard, as is the case for changes to the Newsletter offer, or in the event of a change in technical circumstances. The personal data collected within the scope of the newsletter service will not be passed on to third parties. The subscription to our newsletter can be terminated by the person concerned at any time. The consent to the storage of personal data which the person concerned has sent us for the Newsletter may be revoked at any time. For the purpose of revocation of consent, a corresponding link is found in each newsletter. Furthermore, it is also possible to go directly to the website of the controller of the Newsletter To notify the controller in any other way.

## 8. Possibility of contact via the website

The website of the Danieli Germany GmbH contains information on the basis of legal regulations that enable fast electronic contact with our company and direct communication with us, which is also a general address of the so-called electronic mail (E-mail address). If an affected person receives contact with the controller by e-mail or via a contact form, the personal data transmitted by the person concerned are automatically saved. Such personal data provided on a voluntary basis by a person concerned to the controller shall be stored for the purpose of processing or contacting the person concerned. This personal data will not be passed on to third parties.

## 9. Routine deletion and blocking of personal data

The controller shall process and store personal data of the person concerned only for the period of time required to achieve the storage purpose, or if this is done by the European directive and regulation provider or Another legislature is provided for in laws or regulations which are subject to the controller.

If the purpose of storage does not expire or if a storage period prescribed by the European directive and regulation provider or another competent legislator is cancelled, the personal data will be routinely and in accordance with the legal Regulations are blocked or deleted.

## 10. Rights of the person concerned

- A) right of confirmation

Each person concerned shall have the right, granted by the European directive and regulation provider, to require the controller to be informed of the processing of personal data relating to him or her. If an affected person wishes to claim this right of confirmation, she may contact our data protection officer or another employee of the controller at any time.

- b) Right to information

Any person concerned by the processing of personal data shall have the right granted by the European directive and regulation giver, at any time by the controller, free of charge information on the person's stored Personal data and a copy of this information. In addition, the European directive and regulation donor has granted information on the following information to the person concerned:

- The processing purposes
- The categories of personal data that are processed
- The recipients or categories of recipients to whom the personal data has been disclosed or is still disclosed, in particular to recipients in third countries or to international organisations
- If possible, the planned duration for which the personal data is stored, or, if this is not possible, the criteria for determining this duration
- The existence of a right to rectify or delete the personal data relating to it or to restrict the processing by the person responsible or a right of objection against such processing
- The existence of a right of appeal by a supervisory authority
- If the personal data are not collected from the data subject: All available information on the origin of the information
- The existence of automated decision-making, including Profiling In accordance with article 22 (1) and (4) of the GMO and, at least in these cases, meaningful information on the logic involved and the scope and intended effects of such processing on the data subject

In addition, the data subject is entitled to a right of access to information on whether personal information has been transmitted to a third country or to an international organisation. Where this is the case, the person concerned shall also be entitled to obtain information on the appropriate guarantees in connection with the transfer.

If a data subject wishes to avail himself of this right of access, it may at any time contact our Privacy officer or another employee of the controller.

- c) Right to rectification

Any person affected by the processing of personal data shall have the right granted by the European directive and regulation provider to require the immediate rectification of any incorrect personal data relating to them. In addition, the person concerned shall be entitled, taking into account the purposes of processing, to require the completion of incomplete personal data, including by means of a supplementary declaration.

If a person concerned wishes to avail himself of this right of rectification, she may at any time contact our data protection officer or another employee of the controller.

- D) Right to deletion (right to be forgotten)

Any person concerned by the processing of personal data shall have the right granted by the European directive and regulation given to require the controller to request that the person concerned Data will be deleted immediately if one of the following is true and if the processing is not required:

- The personal data were collected for such purposes or processed in any other way for which they are no longer necessary.
- The person concerned shall revoke the consent to which the processing was based in accordance with article 6 (1) (a) (a) of the GDPR or article 9 (2) (a) of the GDPR, and there is no other legal basis for processing.
- The person concerned shall, in accordance with article 21 (1) of the GDPR, object to the processing and there are no priority reasons for the processing, or the person concerned shall object to the processing in accordance with article 21 (2) of the GDPR.
- The personal data has been processed in an unlawful form.
- The deletion of personal data is necessary for the fulfilment of a legal obligation under union law or the law of the Member States to which the person responsible is subject.
- The personal data were collected in relation to the information society services provided in accordance with article 8 (1) of the GDPR.

To the extent that one of the above reasons applies and a person concerned has deleted the personal data which is Danieli Germany GmbH, you can contact our data protection officer or another employee of the controller at any time to do so. The data protection officer of the Danieli Germany GmbH or another employee will cause the deletion request to be fulfilled immediately.

If personal data were Danieli Germany GmbH is made public and if our company is responsible for the deletion of personal data in accordance with article 17 (1) DS-GMO, the Danieli Germany GmbH taking into account the available technology and the implementation costs, appropriate measures, including technical means, to inform other data controllers who process the published personal data That the person concerned has requested from these other data controllers the deletion of all links to this personal data or of copies or replicas of such personal data, insofar as the processing is not is required. The data protection officer of the Danieli Germany GmbH or another employee will arrange the necessary in individual cases.

- e) Right to limitation of processing

Any person concerned by the processing of personal data shall have the right granted by the European directive and regulation given to require the controller to restrict the processing if one of the following conditions is met:

- The correctness of the personal data is disputed by the person concerned, for a period of time, which enables the controller to verify the accuracy of the personal data.
- The processing is unlawful, the person concerned rejects the deletion of the personal data and instead demands the restriction of the use of the personal data.

- The person responsible no longer needs the personal data for the purposes of the processing, but the individual needs it for the assertion, exercise or defence of legal claims.
- The person concerned has appealed against the processing in accordance with article 21 (1) of the DS GMO and it is not yet determined whether the legitimate reasons of the person responsible outweigh those of the data subject.

Provided that one of the above conditions is met and a person concerned restricts the personal data required for the Danieli Germany GmbH request, it may at any time contact our data protection officer or another employee of the controller. The data protection officer of the Danieli Germany GmbH or another employee will cause the restriction of processing.

- f) Right to data transferability

Any person concerned by the processing of personal data shall have the right granted by the European directive and regulation provider, the personal data relating to it, which has been provided by the person concerned to a party responsible, in a structured, common and machine-readable format. It shall also have the right to transmit such data to another person responsible without hindrance by the person responsible for providing the personal data, provided that the processing is based on the consent provided for in article 6 (1) (a) of the GMO or Article 9 (2) (a) (a) of the GMO or a contract pursuant to article 6 (1) (b) of the GMO and the processing is carried out using automated procedures, provided that processing is not necessary for the performance of a task which is in the public interest or in the exercise of public authority which has been transferred to the person responsible.

Furthermore, in exercising its right to transfer data in accordance with article 20 (1) of the DS GMO, the person concerned shall have the right to obtain that the personal data are transmitted directly by one person responsible to another person responsible, insofar as this is technically feasible and if this does not affect the rights and freedoms of other persons.

In order to assert the right to transfer data, the person concerned may at any time take part in the Danieli Germany GmbH of the responsible the appointed data protection officer or another employee.

- g) Right to objection

Any person concerned by the processing of personal data shall have the right, for reasons arising out of its particular situation, to be subject to the processing of any personal information which the European directive and regulation Data which is made on the basis of article 6 (1) (e) or (f) DS GMO. This shall also apply to a provision based on Profiling.

The Danieli Germany GmbH will no longer process the personal data in the event of opposition, unless we can prove compelling reasons for the processing that outweigh the interests, rights and freedoms of the person concerned, or the processing serves the Enforcement, exercise or defence of legal claims.

Processes the Danieli Germany GmbH personal data for the purpose of direct advertising, the person concerned shall have the right at any time to object to the

processing of personal data for the purposes of such advertising. This also applies to the Profiling, as far as it is related to such direct advertising. If the person concerned does not object to the Danieli Germany GmbH processing for direct marketing purposes, the Danieli Germany GmbH process the personal data for these purposes.

In addition, the person concerned shall have the right, for reasons arising from their particular situation, against the processing of personal data relating to them, Danieli Germany GmbH be made for scientific or historical research purposes or for statistical purposes in accordance with article 89 (1) of the DS GMO, unless such processing is necessary to fulfil a public interest task.

In order to exercise the right of opposition, the person concerned may directly contact the data protection officer of the Danieli Germany GmbH or contact another employee. The person concerned is also free to exercise its right of objection in connection with the use of information society services, irrespective of Directive 2002/58/EC, by means of automated procedures in which technical specifications be used.

- h) Automated decisions in individual cases including Profiling  
Any person concerned by the processing of personal data shall be entitled to the right granted by the European directive and regulation provider, not exclusively to automated processing, including Profiling — to be subject to a decision based on its legal effect or in a similar manner, if the decision (1) is not for the conclusion or fulfilment of a contract between the person concerned and the Responsible, or (2) is permissible on the basis of legislation of the Union or of the Member States to which the person responsible is subject, and that this legislation takes appropriate measures to safeguard the rights and freedoms and Interests of the data subject or (3) with the express consent of the person concerned.

Where the decision (1) is necessary for the conclusion or fulfilment of a contract between the person concerned and the party responsible, or (2) if the person concerned has expressed his or her express consent, the Danieli Germany GmbH appropriate measures to safeguard the rights and freedoms, as well as the legitimate interests of the person concerned, including at least the right to a person's intervention on the part of the party responsible, the presentation of his own position and the challenge Part of the decision.

If the data subject wishes to assert rights with regard to automated decisions, the person concerned may at any time contact our Privacy officer or another employee of the controller.

- i) Right to revoke a data protection consent  
Any person affected by the processing of personal data shall have the right to revoke consent to the processing of personal data at any time, as provided by the European directive and regulation provider.

If the data subject wishes to assert his right to revoke a consent, the person concerned may at any time contact our Privacy officer or another employee of the controller.

## 11. Data protection for applications and application procedures

The controller collects and processes the personal data of applicants for the purpose of processing the application procedure. Processing can also be done electronically. This is particularly the case when an applicant transmits corresponding application documents to the controller in the electronic way, for example by e-mail or via a Web form located on the website. If the controller concludes an employment contract with an applicant, the transferred data will be stored for the purpose of processing the job, in compliance with the legal regulations. If no employment contract with the applicant is concluded by the controller, the application documents are automatically deleted two months after the notification of the cancellation decision, provided that no other authorized Interests of the Controller. Other legitimate interest in this sense is, for example, a duty of proof in a procedure under the General Equal Treatment Act (AGG).

## 12. Privacy Policy for use and use of Facebook

The controller has integrated components of the company Facebook on this website. Facebook is a social network.

A social network is a social meeting point on the Internet, an online community that allows users to communicate and interact with each other in virtual space. A social network can serve as a platform for exchanging opinions and experiences or allows the Internet community to provide personal or business-related information. Facebook allows users of the social network, among other things, to create private profiles, upload photos and network via friend requests.

The operating company of Facebook is the Facebook, Inc., 1 Hacker Way, Menlo Park, CA 94025, USA. is responsible for the processing of personal data when an affected person lives outside the United States or Canada, the Facebook Ireland Ltd., 4 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland.

By each call to one of the individual pages of this internet site, which is operated by the Controller and on which a Facebook component (Facebook plug-in) has been integrated, the Internet browser on the information technology System of the affected person automatically induced by the respective Facebook component to download a representation of the corresponding Facebook component of Facebook. A complete overview of all Facebook plug-ins can be accessed at [https://developers.facebook.com/docs/plugins/?locale=de\\_DE](https://developers.facebook.com/docs/plugins/?locale=de_DE). As part of this technical process, Facebook will be informed about the specific bottom page of our website that is visited by the data subject.

If the data subject is logged on to Facebook at the same time, Facebook recognizes with each call of our website by the person concerned and for the entire duration of the respective stay on our website, which concrete sub-page Visited the person concerned on our Internet site. This information is collected by the Facebook component and is assigned by Facebook to the respective Facebook account of the affected person. If the affected person presses one of the Facebook buttons on our website, such as the "like" button, or gives the person concerned a comment, Facebook assigns this information to the personal Facebook user account of the the person concerned and stores such personal data.

Facebook always receives information about the Facebook component that the data subject has visited our website, if the data subject is logged on to Facebook at the time of the call of our Internet site; This takes place irrespective of whether the affected Person clicks on the Facebook component or not. If such information is not intended to be transmitted to

Facebook by the data subject, it may prevent it from being sent to you prior to a call to our website from your Facebook account Logs out.

The data policy published by Facebook, which is available at <https://de-de.facebook.com/about/privacy/>, provides information about the collection, processing and use of personal data by Facebook. It also explains the options Facebook offers to protect the privacy of the person concerned. In addition, different applications are available that allow to suppress data transmission to Facebook. Such applications may be used by the data subject in order to suppress the transmission of information to Facebook.

### 13. Privacy Policy for use and use of Twitter

The controller has integrated components of Twitter on this website. Twitter is a multilingual publicly accessible micro-blogging service where users can publish and disseminate so-called tweets, i.e. short messages that are limited to 140 characters. These short messages are available to everyone, including people who are not registered with Twitter. The tweets are also displayed to the so-called followers of the respective user. Followers are other Twitter users who follow the tweets of a user. Twitter also allows you to talk to a wide audience about hashtags, links or retweets.

Operating company of Twitter is the Twitter, Inc., 1355 Market Street, Suite 900, San Francisco, CA 94103, USA.

By each call of one of the individual pages of this internet site, which is operated by the Controller and on which a Twitter component (Twitter button) has been integrated, the Internet browser on the information technology System of the affected person automatically induced by the respective Twitter component to download a representation of the corresponding Twitter component of Twitter. More information on the Twitter buttons is available at <https://about.twitter.com/de/resources/buttons>. Within the scope of this technical procedure, Twitter will be informed about the specific base of our website being visited by the person concerned. The purpose of the integration of the Twitter component is to enable our users to redistribute the content of this website, to make this website known in the digital world and to increase our visitor numbers.

If the data subject is simultaneously logged in to Twitter, Twitter recognizes with every call of our website by the person concerned and for the entire duration of the respective stay on our website, which concrete base of our Website the person concerned visited. This information is collected by the Twitter component and is assigned by Twitter to the respective Twitter account of the person concerned. If the affected person presses one of the Twitter buttons integrated on our website, The data and information transferred to it are assigned to the personal Twitter user account of the person concerned and stored and processed by Twitter.

Twitter receives information from the Twitter component that the data subject has visited our website when the data subject is logged on to Twitter at the time of the call of our Internet site; This takes place regardless of whether the affected person clicks on the Twitter component or not. If such information is not intended to be transmitted to Twitter by the data subject, it may prevent it from being sent to you prior to a call to our website from your Twitter account Logs out.

The current privacy policy of Twitter is available at <https://twitter.com/privacy?lang=de>.

#### 14. Legal basis for processing

Article 6 (i) Lit. A DS-GMO serves our company as a legal basis for processing operations in which we obtain consent for a particular processing purpose. Where the processing of personal data is necessary for the performance of a contract to which the person concerned is a party, as is the case for, for example, processing operations for the supply of goods or the provision of other Performance or consideration is necessary, the processing shall be based on article 6 I Lit. b DS-GMOs. The same applies to such processing operations as are necessary for the implementation of pre-contractual measures, for example in cases of inquiries concerning our products or services. If our company is subject to a legal obligation which requires the processing of personal data, such as the fulfilment of tax obligations, the processing is based on article 6 I Lit. C DS GMO. In rare cases, the processing of personal data could be necessary to protect vital interests of the person concerned or of another natural person. This would be the case, for example, if a visitor would be injured in our company and then his name, age, health insurance data or other vital information will be passed on to a doctor, hospital or other third party. Should. Then the processing would be based on article 6 I Lit. D DS GMO. In the end, processing operations on article 6 I Lit. F DS GMO. This legal basis is based on processing operations which are not covered by any of the aforementioned legal bases if processing is necessary to safeguard a legitimate interest of our company or a third party, provided that the interests, Fundamental rights and freedoms of the person concerned. We are particularly permitted to do such processing because they have been specifically mentioned by the European legislator. In this respect, he considered that a legitimate interest could be justified if the person concerned is a customer of the responsible party (recital 47, second sentence of the DS-GMO).

#### 15. Legitimate interests in the processing pursued by the person responsible or a third party

Where the processing of personal data is based on article 6 (i) Lit. F DS-GMO is our legitimate interest in carrying out our business activities in favour of the well-being of all our employees and shareholders.

#### 16. Duration for which personal data are stored

The criterion for the duration of the storage of personal data is the respective legal retention period. At the end of the period, the Data is routinely deleted, provided that they are no longer necessary for the performance of the contract or the initiation of the contract.

#### 17. Legal or contractual provisions for the provision of personal data; necessary for the conclusion of the contract; obligation on the person concerned to provide the personal data; Possible consequences of non-deployment

We would like to inform you that the provision of personal data is partly required by law (e.g. tax regulations) or can also result from contractual regulations (e.g. information about the contract partner). Sometimes it may be necessary for a contract to be concluded that an affected person provides us with personal data which must subsequently be processed by us. The person concerned, for example, is obligated to provide us with personal data when our company concludes a contract with it. Non-provision of personal data would lead to the failure to close the contract with the person concerned. Prior to the provision of personal data by the person concerned, the person concerned must contact our data protection officer. Our data protection officer clarifies the individual case in question as to whether the provision of personal data is required by law or contract or is necessary for the conclusion of

the contract, whether there is an obligation to Personal data and the consequences of non-provision of personal data.

18. Existence of automated decision-making

As a responsible company, we do without automatic decision-making or a Profiling.
